Like to cook, eat, be crafty?

There has been interest in starting some hobby groups in our neighborhood. If you would like to get more information on these, email us with what you would like to see started and be involved in.

Fire Hydrant paint scheme

A question came in recently as to why the hydrants in our neighborhood are painted differently. Metro Water and the Nashville Fire Dept. have a color code based on flow rate and location so they can be easily identified during an emergency. Please make sure the hydrants are easily accessible.

Reminders

- Trash cans should be placed out of public view, both from the roadway and your neighbors, they should be stored in your garage or HOA approved screen.
- Please be mindful as you have visitors this holiday season parking in the street is limited to 12 hours per week.
- Boats, Trailers and RV's are limited to 48 hours per month either in the driveway or street.
