Board News

We still have many homeowners that had not paid their dues, late fees are added each month.

Sewer Smell update

The board continues to put pressure on our councilman Steve Glover and Metro Water to correct this issue. They recently installed an “odor block” on a couple manhole covers, we have asked that this be added to all the covers on Seven Points Trace and Seven Points Circle. Please continue calling these in to Metro and contact Councilman Glover @ steve.glover@nashville.gov, lets be the squeaky wheel that gets fixed.

Signs

As the political season is in full force please be reminded that the only yard signs allowed are professional Realtor signs.

Pet Clean Up

Please be a responsible pet owner and clean up after your pets as you walk them through the neighborhood, there are multiple stations throughout the neighborhood for your convenience.

Reminders

- Trash cans should be placed out of public view, both from the roadway and your neighbors, they should be stored in your garage or HOA approved screen. Screen that allows the can to be viewed from the side does not meet the requirements.
- Boats, Trailers and RV's are limited to 48 hours per month either in the driveway or street.
