Want to get involved??

Are you new to the neighborhood, or have you been for years? Either way, you bring a unique set a skills that is valuable to the Board and your neighbors. This year we have 2 open Board positions that need to be filled. A full Board allows us to continue to stay self-managed and not need to bring in outsiders who don't understand our community but rather see it as a job. No experience is needed and the Board determines roles at their first meeting. If you have questions or would like to be put on the ballot, please email us.

Yard of the Month

August 2017 Yard of the Month winner is the Tredway family on Johns Meadows Cove. Congratulations!

Honorable mention goes to the Hill and Gowins families.

Neighborhood gathering

Sue Lackey has expressed interest in forming neighborhood groups to meet for various activities. Maybe sharing a meal or dessert, playing card games or discussing plants or gardening. If you would like to be involved, email us and we will get you in contact with Sue.

Reminders

Please clean up after your pets when walking them through the neighborhood. If your kid is walking your dog please remind them to pick up after them.

Trash and recycling cans are to be stored out of public view

Boats, RV's and trailers are not to be stored in your driveway or on the street for more than 48 hours per

Please be cautious!

We continue to receive complaints about people driving too quickly through our neighborhood, with kids, pets, school buses, delivery and lawn maintenance trucks the posted speed limit is usually too fast. Please make sure to pass this along to any younger drivers in your household.

What's all the excitement?

Most of you are aware of the recent activity in the neighborhood and have had some questions regarding the upkeep of the property. The HOA Board has been in communication with Metro Police and reported violations to the Codes department and will be making sure the yard is kept up during a time of transition. At this time we don't have much info but will be doing our part to make sure nothing is getting out of hand.
